Notes

- For the purpose of this questionnaire, “physical presence” refers to a place of business located at a permanent address in a country in which the bank is authorized and licensed to conduct banking operations and activities. This also encompasses arenas where the bank employs individuals full time and maintains operating records related to banking activities, where the bank is subject to inspection by their respective banking/government authorities that granted the bank its license to operate in the first place.
- Questions that refer to the Financial Institution shall be considered by including all domestic and overseas branches, subsidiaries and affiliates in addition to the Head Office.
