## EXPLANATORY NOTES

- These Interim Financial Statements have been prepared in accordance with LKAS 34 - Interim Financial Reporting (refer note 2) and present information required by Listing Rules of Colombo Stock Exchange. These Financial Statements are drawn up from the unaudited Financial Statements of the Bank unless otherwise indicated. There are no significant changes in accounting policies, methods of computation and risk management policies since the publication of Audited Financial Statements for the year 2017. Previous period figures and phrases have been re-arranged wherever necessary to conform to the current presentation.
- The Sri Lanka Accounting Standard - SLFRS 9 *Financial Instruments* is effective for annual periods beginning on or after 01<sup>st</sup> January 2018 and will replace LKAS 39 - Financial Instruments: Recognition and Measurement. Accordingly, in reporting the interim results, the Bank is required to apply SLFRS 9 and to be in compliance with the same. However, SLFRS 9 permits an entity not to apply the requirements of this Standard to interim periods prior to the date of initial application, if it is impracticable.

Meanwhile, CA Sri Lanka via the Statement of Alternative Treatment (SoAT) on the Figures in the Interim Financial Statements issued on 21<sup>st</sup> December 2017, permitted an option for entities to prepare the interim financial statements continuing the application of LKAS 39 - Financial Instruments: Recognition and Measurement with disclosures on impact to the Statement of Comprehensive Income for the period if SLFRS 9 has been applied during the financial year commencing on or after 01<sup>st</sup> January 2018. If that determination of impact is impracticable, that fact shall be disclosed.

The Bank has set up a multidisciplinary implementation team with members from its Risk and Finance departments to prepare for SLFRS 9 implementation. The initial assessment and analysis stage was completed for impairment in 2017 with the assistance of external consultants and the team is currently finalising the classification and measurement phase. The Bank has undertaken a thorough analysis of how SLFRS 9 should be implemented and has taken tentative accounting policy decisions. The Bank has performed a provisional day 1 SLFRS calculation and has a directional idea of the potential impact of SLFRS 9. Currently the risk modeling methodologies used for impairment computations are being further tested and sharpened by the Bank with the inputs from the external consultant and the management. Accordingly the Bank will be better placed to provide the required disclosures by end of the year for which all required steps will have been taken.

Therefore, the Bank has prepared the interim Financial Statements for the nine months ended 30th September 2018 under LKAS 39 - Financial Instruments: Recognition and Measurement

- There are no material changes in the composition of assets, liabilities, contingent liabilities and use of funds raised through shares and debentures during the period.
- All known expenses have been provided for in these Financial Statements.
- Post Balance Sheet Events**  
There are no material events that took place after the Statement of Financial Position date which require adjustments to or disclosures in the Financial Statements.
